

GREAT FAMILY CARE

A single Critical Illness term plan that protects three generations

We are the “Protection for Every Generation” company.

The future is full of exciting possibilities: your dream career, a home of your own, marrying your soul mate, and starting a family. With each milestone comes greater responsibility to those you love, including your future family, as well as your parents. However, it takes time to plan ahead for multiple future commitments.

GREAT Family Care, a first-ever multi-generational Critical Illness regular premium term plan, gives you protection for yourself, your future children, and your parents in one single comprehensive solution. The plan covers you against Critical Illness, Death, Total and Permanent Disability¹, and Terminal Illness, and gives you the option to add the Parent Protect rider² to have your parents protected without any medical assessment. It also automatically gives your future children free protection against Critical Illness and Juvenile Conditions.

Choose **GREAT Family Care**, a single multi-generational Critical Illness plan that lifeproofs three generations today!

How GREAT Family Care helps you and those you love?

Yourself

Enjoy comprehensive coverage against 53 critical illnesses, Death, Total and Permanent Disability¹ and Terminal Illness up to age 85 at an affordable premium that fits your budget.

Your parents

Have peace of mind and protect your parents against life's uncertainties. With an optional rider, **Parent Protect**², GREAT Family Care supports your parents against Major Cancer, Alzheimer's Disease / Severe Dementia or Parkinson's Disease. A lump sum payout will be given upon the first claim and thereafter the rider ceases. Coverage is guaranteed with no medical assessment required.

Your future family

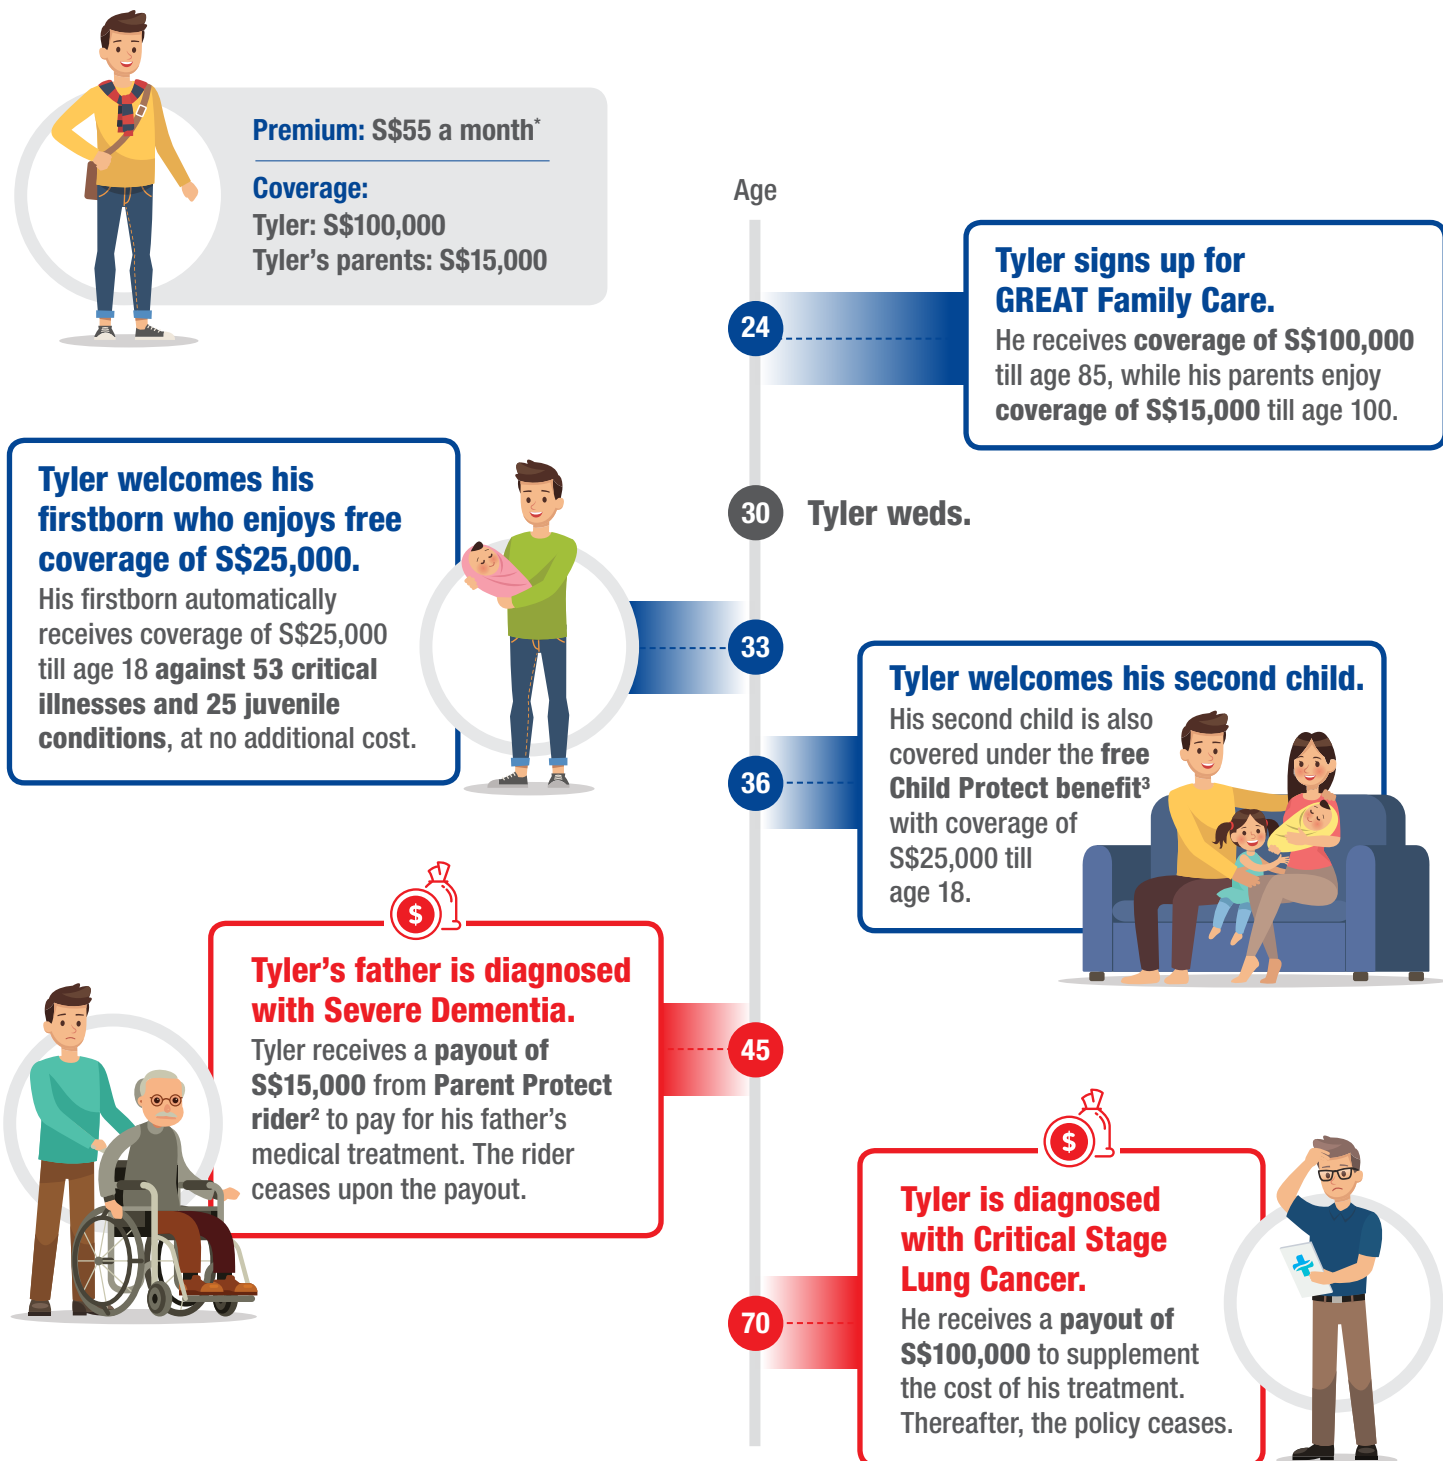

It's exciting to think about starting a family, but you may worry about whether you are prepared for your children's healthcare needs. GREAT Family Care gives you free coverage for all your children under the **Child Protect benefit**³. Your children will enjoy protection against 53 critical illnesses and 25 juvenile conditions up to age 18, with no policy application or medical assessment required.

If any one of your children is diagnosed with any of the covered conditions, you will receive a lump sum payout of 25% of your policy's sum assured (up to S\$50,000 per child). This payout is additional and does not reduce your own coverage.

How GREAT Family Care works

Tyler

Aged 24, non-smoker, takes up **GREAT Family Care** to kickstart his protection plan. For greater peace of mind, he adds **Parent Protect rider²** to cover his parents against the unexpected.

¹ Coverage for Presumptive Total and Permanent Disability (TPD) is for the whole of the policy term, while coverage for other forms of TPD is till age 65. Presumptive TPD refers to a state of incapacity which is total and permanent and takes the form of:

- a) total and irrecoverable loss of sight in both eyes; or
- b) total and irrecoverable loss of use of two limbs at or above the wrist or ankle; or
- c) total and irrecoverable loss of sight in one eye, and total and irrecoverable loss of use of one limb at or above the wrist or ankle.

Please refer to the product summary for details on other forms of TPD.

² The parent must be 80 years old next birthday or less at the time of rider issue date. The rider offers a one-time payout of 15% of the sum assured or S\$15,000, whichever is higher.

³ The child must be 16 years old next birthday or less at the time of policy issue date. The plan offers a one-time payout of 25% of sum assured, up to S\$50,000 per child.

* Premium rates for GREAT Family Care and Parent Protect rider are not guaranteed and may be adjusted based on future experience.

The above is for general information only. It is not a contract of insurance. The precise terms and conditions of this insurance plan are specified in the policy contract.

As this product has no savings or investment feature, there is no cash value if the policy ends or if the policy is terminated prematurely. It is usually detrimental to replace an existing accident and health plan with a new one. A penalty may be imposed for early plan termination and the new plan may cost more, or have less benefits at the same cost.
