¹ Guaranteed survival benefit equivalent to 3.38% of the single premium will be payable annually on survival of the life assured at the end of each of the two policy years.

² If the life assured dies or suffers from Total and Permanent Disability (TPD), we will pay 105% of the single premium, or the surrender value of the policy, whichever is higher, less any indebtedness under the policy. Presumptive TPD is applicable for the whole of the policy term. For other forms of TPD, the TPD must occur before the policy anniversary on which the life assured is age 65 next birthday.
