GLOBAL EQUITY ALPHA FUND

Access a global strategy with long term return potential

1 High conviction portfolio with focus on growth surprises

We identify companies with forward earnings growth not yet identified by the market – the growth gap.

Core growth stocks

Our forward looking approach enables us to find innovative companies with **structural growth stories** and a **sustainable competitive advantage**.

Opportunistic growth stocks

Our in-depth research enables us to identify **cyclical trends** and companies on a **transitional growth path**.

2 Highly experienced and well-resourced team

Global Equities Team

US\$
73.1bn

of Global Equities strategy assets under management by the team

19

experienced investment professionals and dedicated sector specialists covering a broad range of sectors including: technology, utilities, financials, industrials, healthcare, consumer, communication, energy & materials

3 An innovative and dynamic risk framework

We adopt a proprietary, forward-looking and dynamic risk-based assessment of company fundamentals, looking at:

Quality and sustainability assessment

e.g. industry metrics, management quality, ESG, transparency

Leverage

e.g. financial leverage, operating leverage

Country risk

e.g. geographical revenue, earnings exposure

These help enhance downside protection and drive return consistency.
