

# GREATLINK GLOBAL EQUITY ALPHA FUND

## Access a global strategy with long term return potential

### 1 High conviction portfolio with focus on growth surprises

We identify companies with forward earnings growth not yet identified by the market – the growth gap.

#### Core growth stocks

Our forward looking approach enables us to find innovative companies with **structural growth stories** and a **sustainable competitive advantage**.

#### Opportunistic growth stocks

Our in-depth research enables us to identify **cyclical trends** and companies on a **transitional growth path**.

### 2 Highly experienced and well-resourced team

#### Global Equities Team

US\$  
**74bn**

of Global Equities strategy assets under management by the team

**15**

experienced investment professionals and dedicated sector specialists covering a broad range of sectors including:  
technology, utilities, financials, industrials, healthcare, consumer, communication, energy & materials

### 3 An innovative and dynamic risk framework

We adopt a proprietary, forward-looking and dynamic risk-based assessment of company fundamentals, looking at:

#### Quality and sustainability assessment

e.g. industry metrics, management quality, ESG, transparency

#### Leverage

e.g. financial leverage, operating leverage

#### Country risk

e.g. geographical revenue, earnings exposure

These help enhance downside protection and drive return consistency.
