Other changes:

Exclusions for treatments arising from attempted suicide, intentional self-injury, drug addiction and alcoholism have been removed.

Changes to the MediShield Life Premiums

In order to help Singaporeans cope better with the premium increase, the Government has committed a one-off COVID-19 Subsidy to all Singaporeans. Along with the existing premium subsidies and premium rebates, the net premium increase will be capped at no more than 10% of the previous MediShield Life premiums.

For more information, visit www.greasternlife.com or contact your Great Eastern Financial Representative today.

**Additional \$200 per day for the first 2 days for hospitalisation in Normal Ward and Intensive Care Unit Ward.
Information correct as at 1 March 2021.*
