**A. TERMS & CONDITIONS**

I hereby request to deposit the excess of moneys paid by me in advance, after deducting the current required premium due under the above numbered Policy, into an APA with the Company for the purpose of future premium payment towards the above numbered Policy.

I further authorise the Company to deduct any funds in my APA to pay for the required premium due under the Policy. I understand and agree that such deduction will be made by the Company thirty (30) days before each and every premium due date subject to the following terms and conditions:

1. The Policy must be in force;

6. Any balance of moneys left in my APA will accumulate interest at the prevailing rate to be determined solely by the Company from time to time starting from the date the moneys are deposited into my APA or from the Risk Commencement Date of the Policy, whichever is later, until the date the same is deducted from my APA;
7. At any time, I may close my APA upon which, I will withdraw in full any balance of moneys together with the accumulated interest thereon available in my APA. Only full withdrawal of APA is allowed;
8. If at any time the fund available in my APA is not sufficient to pay for the required premium thirty (30) days before the premium due date, I shall pay the shortfall amount to the Company on or before the premium due date. The Company reserves the right not to deduct any funds in my APA towards payment of the required premium until the shortfall amount is received by the Company on or before the premium due date.
