Name of Product : IL Critical Illness Plus Rider
Date : <dd/mm/yyyy>

1. What is this product about?

IL Critical Illness Plus Rider is a unit deduction rider that provides coverage in the event of occurrence of any one of the covered events. This rider will not affect the sum assured of the basic plan.

2. What are the covers / benefits provided?

The sum assured for this rider is RM<Rider Sum Assured>. It will be payable in one lump sum upon occurrence of any one of the Covered Events listed in the policy contract (except for Angioplasty and other invasive treatments for coronary artery disease*, whereby the claim payout is 10% of the rider sum assured, subject to a maximum of RM25,000 per life). The sum assured will only be payable if the Life Assured survives 14 days after the diagnosis of the covered events.

*After a claim on Angioplasty and other invasive treatments for coronary artery disease, the rider sum assured will be reduced accordingly. In addition, the claim on other Covered Events will still be allowed, subject to the balanced amount of the rider sum assured.

For a life assured below age 5 years next birthday, a child lien shall apply.

Duration of cover: <Term of Rider> years or upon termination of this rider or the basic plan, whichever occurs first.

3. How much premium do I have to pay?

Not applicable because this is a unit deduction rider. Please refer to question 4 below for the insurance charges.

4. What are the fees and charges that I have to pay?

- The insurance charges are deducted monthly from the value of your units. The insurance charge will increase as you grow older. Details of insurance charges and other charges for the ILP are given in the sales illustration.
- The insurance charges are non-guaranteed and may be varied from time to time. The Company reserves the right to revise the insurance charges, where the revision (if any) will aim to reflect our claim experience, cost of medical treatment, advancement in medical technology, or other justified circumstances. Such changes will be applicable to all policy regardless of the individual claim experience.

- Importance of disclosure - You must disclose all material facts such as medical condition and state your age correctly.
