1. What is this product about?

IL Premium Waiver Extra Rider is a unit deduction rider that waives premiums in the event of Total and Permanent Disability ("TPD") or occurrence of any one of the covered events (except for Angioplasty and other invasive treatments for coronary artery disease).

2. What are the covers / benefits provided?

This rider waives premiums upon:

- TPD before age 70 years next birthday; or
 - occurrence of any one of the covered events listed in policy contract (except for Angioplasty and other invasive treatments for coronary artery disease),
- whichever occurs first, subject to the duration of cover and other terms and conditions stated in the policy contract.

Duration of cover: <Term of Rider> year(s) or upon termination, whichever occurs first.

Note: After the premium has been waived under this rider, the premium amount waived will remain unchanged. As such, in the event of any upward revision of the insurance charges of basic plan or any riders, or reduction of actual sustainability of the policy, you may be required to perform regular premium top-ups or single premium top-ups to cover the difference in the premium amount waived and the revised premium for better sustainability of your policy.

3. How much premium do I have to pay?

Not applicable because this is a unit deduction rider. Please refer to question 4 below for the insurance charges.

4. What are the fees and charges that I have to pay?
