

Note: Please read this Product Disclosure Sheet before you decide to take up SmartProtect Junior. Be sure to also read the general terms and conditions.

Name of Financial Service Provider : Great Eastern Life Assurance (Malaysia) Berhad (93745-A) ("the Company")

Name of Product : SmartProtect Junior

Date : <dd/mm/yyyy>

1. What is this product about?

SmartProtect Junior is an investment-linked insurance plan ("ILP") that offers a combination of insurance protection and investment. It also comes with an additional 1% sum assured of the basic sum assured for each completed policy year, up to a maximum of 30%, at no additional cost, which will be payable in the event of death or Total and Permanent Disability ("TPD"), subject to the terms and conditions stated in the policy contract.

The value of the ILP depends on the price of the underlying units, which in turn depends on the performance of your chosen fund.

2. What are the covers / benefits provided?

The basic sum assured for this plan is RM<Basic Sum Assured>. The benefit for death, TPD and riders (except for Smart Baby Shield Plus, IL Payer Benefit Extra Rider (Jr) and IL Spouse Payer Benefit Extra Rider (Jr)) will start after the birth of the life assured.

Basic Plan Benefit	
1) Death Benefit	Basic sum assured + additional sum assured + total investment value, if any. For life assured below age 5 years next birthday, a child lien shall apply.
2) TPD Benefit	If TPD occurs prior to the policy anniversary on which the life assured attains age 70 years next birthday, the Company will advance the basic sum assured and additional sum assured as follows: - <ul style="list-style-type: none"> the basic sum assured and additional sum assured not exceeding RM10,000,000 shall be paid in 3 annual instalments with the first being a lump sum of the basic sum assured and additional sum assured or RM2,000,000, whichever is lesser, and the balance of the basic sum assured and additional sum assured (if any) will be payable in two equal annual instalments. The maximum TPD benefit payable under this and all insurance policies (including riders) on the same life assured, is RM10,000,000 per life (excluding group policies). For life assured below age 5 years next birthday, a child lien shall apply.
3) No-Lapse Guarantee	The basic policy and its attaching riders (if any) will not lapse within the first three policy years if the total investment value is less than or equal to zero on the monthly deduction date of the policy fee and insurance charge, provided that <ul style="list-style-type: none"> all regular premiums of the policy due prior to such monthly deduction date have been paid on each premium due date or during the grace period; and there has not been any withdrawal of any units prior to such monthly deduction date.

Note: The above benefits are subject to the terms and conditions stated in the policy contract.

Fund(s) chosen:

Policy Year		
From	To	

Reminder: Please read the fund fact sheet which includes the objectives of the investment-linked fund. It is important to select a plan or a combination of funds that suit your financial goals and risk profile.

3. How much premium do I have to pay?

- The estimated total premium that you have to pay: RM<Installment Premium># <Premium Mode>
- Premium payment term: <Premium payment term> years or upon termination, whichever occurs first.

#The premium for IL EduSaver is only payable up to life assured's age 25 years next birthday.

Notes:

- The total premium that you have to pay and the policy terms may vary depending on the underwriting requirements of the Company.
- The Company allocates a portion of the premium to purchase units in the investment-linked fund(s) that you have chosen. Any unallocated amount will be used to pay commissions to intermediary and other expenses of the Company. You are advised to refer to the allocation rates given in the sales illustration.
- In the event the actual sustainability of your policy is reduced due to revision of insurance charges, the Company may vary the premiums on the policy anniversary by giving 3 months' advance notice to you. However, the Company may vary the premiums on the policy anniversary by giving 30 days' advance notice to you due to revision of insurance charges for <GREAT MediValue, GREAT MediValue Plus (if any) and GREAT MediValue Double Annual Limit (if any)/ Smart Health Protector and Smart Health Protector Plus (if any)>.

4. What are the fees and charges that I have to pay?

- The insurance charges are deducted from the value of your units. The insurance charge will increase as you grow older. Details of insurance charges and other charges for the ILP are given in the sales illustration.
- The insurance charges for:
 - Basic plan and riders (except for item ii and iii below) are deducted monthly starting from the next monthly due date following the Expected Due Date ("EDD"). The insurance charges are assumed based on the insurance charge for males and you are required to update the Company of the actual gender after the birth of the life assured.
 - Smart Baby Shield Plus are deducted in 5 instalments where the first instalment is on the inception date of the policy and the subsequent instalments will be deducted yearly starting from the next yearly due date following the inception date of the policy.
 - IL Payer Benefit Extra Rider (Jr) and IL Spouse Payer Benefit Extra Rider (Jr) during the prenatal period will be deducted upfront on the inception date of the policy and the subsequent insurance charges will be deducted monthly starting from the next monthly due date following the EDD..
- The insurance charges are non-guaranteed and may be varied from time to time. The Company reserves the right to revise the insurance charges on policy anniversary, where the revision (if any) will aim to reflect our claim experience, cost of medical treatment, advancement in medical technology, or other justified circumstances. Such changes will be applicable to all policy regardless of the individual claim experience.
- The prevailing government service tax will be added to the premium quoted in question 3 above, where the premium is paid by a business organisation other than the Company.

5. What are some of the key terms and conditions that I should be aware of?

- Importance of disclosure - You must disclose all material facts about the mother (if applicable) and life assured such as medical condition, and state the age correctly. You must take reasonable care to disclose any facts that you know to be relevant to us, including any changes to the information which you had previously disclosed to us, such as the birth of the life assured. Your duty of disclosure continues until the policy is issued.
- Free-look period - You may cancel your ILP by returning the policy within 15 days after the policy has been received by you. The Company will refund to you the unallocated premiums, the value of the units that have been allocated (if any) at unit price at the next valuation date and any insurance charge and policy fee that have been deducted less any medical fee incurred.
- Total investment value – The total investment value of the ILP depends on the performance of the investment-linked fund(s) selected. The higher the level of insurance coverage selected, the more units will be absorbed to pay for the insurance charges and the fewer units will remain to accumulate total investment value under your policy.
- Grace period – A grace period of 30 days from each premium due date is given for you to pay the subsequent premiums.
- Policy lapse - Subject to No-Lapse Guarantee, the ILP will lapse when the value of investment units is insufficient to pay for the insurance and other charges.
- Claims procedure – Please visit greateasternlife.com/my for further information on the Company's claims procedure.
- Child lien
