5. What are some of the key terms and conditions that I should be aware of?

- **Cash Before Cover**
 - Full premium must be paid before the effective date of the policy.
- **Vehicle Sum Insured**
 - Our approved Motor Vehicle Market Valuation system is based on ISM-ABI system. It will be used for recommending the vehicle sum insured and/or deciding the settlement of claim. Market value displayed in our quotation is based on ISM Market Value.
 - You must ensure that your vehicle is insured at the appropriate amount of sum insured as per the ISM Market Value.
 - While it is recommended that you insure your vehicle based on the ISM Market Value, a sum insured that is higher than the market value is also permitted and Endorsement 87 – Agreed Value will be applied to your policy. However, you have to pay a higher premium for the higher vehicle sum insured. In the event of total loss or theft of your vehicle, we will pay you the sum insured if you have an agreed value clause.
 - If you do not agree with our proposed sum insured and decided to insure your vehicle at a sum insured lower than the ISM Market Value, Endorsement 113 – Reference to Motor Vehicle Market Valuation System will be applied to your policy.
 - Your motor policy is subject to the average clause where if your vehicle is under-insured, in the event of claim, the amount will be reduced in proportion to the under-insured amount.
 - If your vehicle valuation is not available in the ISM-ABI system, please contact our agent/office to obtain our Panel Loss Adjuster's valuation.
- **Compulsory Excess**
 - Compulsory excess of RM400 for your motor policy. This is the amount of loss you have to bear if your vehicle is driven by a person not named in your motor policy or a person named in your motor policy who is under the age of twenty-one (21) years old or the holder of a Provisional (P) or Learner (L) driver's license.
- **Excess**

This is the amount of own damage loss regardless of who is at fault in the incident, as stated in your policy schedule, that you have to bear, other than the compulsory excess (if applicable), while we will pay the balance of your claim.
- **Betterment**

Betterment will apply when in the course of repairing an accident-damaged vehicle (age of vehicle five (5) years and above), and old part is replaced with a new franchise part. You will have to bear the difference in cost (depending on the age of your vehicle) as your repaired vehicle is in a better condition than it was before the accident.

- **Contribution**

We shall only be liable for our rateable proportion of the loss if you have more than one (1) policy to cover your car.

- **Importance of Disclosure** - You must disclose all material facts such as previous accidents and modifications to engines.
