## Frequently Asked Questions

### **Q1: What is Great Eastern Preferred Hospital?**

A1: Preferred Hospital is a group of panel hospitals throughout Malaysia that has established exclusive partnership with Great Eastern to offer additional benefits to our policyholders during their admission. These hospitals are known for their quality and cost effective healthcare services. This initiative is applicable to Great Eastern Life Assurance (M) Berhad (GELM), Great Eastern Takaful Berhad (GETB) and Great Eastern General Insurance (Malaysia) Berhad policyholders where Letter of Guarantee(s) is issued by GELM.

### **Q2: How are these Preferred Hospitals selected?**

A2: Preferred Hospitals are selected based on past experience of medical care and services provided by these hospitals, affordable pricing and hospitals' commitment in offering additional benefits to our policyholders. The List of Preferred Hospitals is subject to the management's yearly review for continuity.

### **Q3: How does admission at Great Eastern Preferred Hospitals benefit our policy holders?**

A3: Admission to Preferred Hospitals will help our policyholders save up to RM500 per admission with waivers offered.

#### Waiver for Administrative Charges

Preferred Hospitals offer waivers for administrative charges that are usually not covered by medical card such as Admission Fee, Hospital Fee (Visit Fee), Medical Record Fee, and ID Band.

#### Waiver for Covid-19 Screening Test

Preferred Hospitals also offer waiver for Covid-19 Screening test for Inpatient/ Daycare which may cost up to RM270. The waiver is not applicable if the test is performed for diagnostic purpose.

#### Waiver for Admission Cash Deposit

Cash deposit upon admission is waived to facilitate Hassle-Free admission. However, the hospital may collect deposit in the following:

- (1) For consultation/ investigation/ treatment in the Emergency department prior to decision for Inpatient admission.
- (2) Prior to initial Guarantee Letter (GL) issuance.
- (3) Exceeded policy limit/entitlement or amount not covered by GL such as co-insurance, deductible & expenses related to policy exclusion.
- (4) Declined GL.

#### *Scenario 1:*

Policyholder had abdominal pain and diarrhoea. He was seen in Emergency Department and planned for further investigations. The Hospital may collect deposit while awaiting doctor's decision on whether the Policyholder requires Inpatient admission.

*Scenario 2:*

Policyholder had headache and vomiting, policy since 5 months ago, while awaiting lab and imaging report, Policyholder decided for admission first without initial GL. The Hospital may collect deposit from the Policyholder.

*Scenario 3:*

Policyholder sustained multiple fractures after a motor vehicle accident. Estimated cost is RM50,000. However, balance limit is only RM10,000. The Hospital may collect deposit from the Policyholder.

*Scenario 4:*

Policyholder is 8-months pregnant, had preterm labour secondary to urinary tract infection. GL declined due to policy exclusion on pregnancy. The Hospital may collect deposit from the Policyholder.

Discharge without Final Guarantee Letter with minimal deposit

Preferred Hospitals offer discharge with minimal deposit, without the need to wait for issuance of Final Guarantee Letter. Deposit amount will be determined by hospital based on estimation of non-covered amount.

Additional Value Added Service

Some of our Preferred Hospitals offer additional value added service exclusively for Great Eastern Policyholder for admissions with minimum one (1) night stay (excluding daycare & ICU admission cases). The additional services are subject to review from time to time and given on best effort basis on weekends/public holidays and subject to availability.

**Q4: How can the policyholder enjoy the additional value added services given exclusively by the Preferred Hospitals?**

A4: As each Preferred Hospital has different redemption process, field force is required to contact the person-in-charge to redeem the value added services.
