

#### Fund Objective

A fund which is passively managed and aims to track the performance of FTSE100 over the medium to long term (indexing strategy), which may be volatile in the short term. This fund seeks to provide medium to long-term capital appreciation.

#### Investment Strategy

The fund shall be passively managed, investing in a foreign Exchange Traded Fund ("ETF") that tracks the performance of FTSE100 Index.

#### Performance from 01 June 2006 - 31 January 2024

#### Notice:

Actual return is based on net basis (net of tax and charges). Past Performance of the fund is not an indication of its future performance. This is strictly the performance of the unit fund, and not the returns earned on the actual premiums paid of the Investment-Linked insurance product.
