FAQs

What if me/my team does not meet the minimum of S\$100/S\$400 by 31 August 2023?

You will not be eligible for the complimentary GEWR race slot and will not be entitled to the race pack (comprising the race t-shirt, race bag, medal, etc.). If you would like to join the GEWR 2023 on 29 October, you may consider purchasing a race slot at that point. You may however, continue to participate in the fundraising challenge as your fundraising link will continue to be 'live', and your steps will still be counted in the Great Eastern's S\$1 for 1km corporate matching (up to S\$70,000). You can also continue to enjoy the virtual milestone challenge in the race app and the concessionary rates for physical fringe events.

What happens when the S\$70,000 fund that Great Eastern has set aside for S\$1 for 1km corporate matching is exhausted?

Once the amount of \$70,000 set aside for dollar matching is exhausted, teams can only raise funds thereafter, via their customised fundraising link.

Can I take part in both Team and Individual categories?

Each fundraiser can only take part in one category (either TEAM or INDIVIDUAL). You will not be able to change the category you are taking part in after your registration for the Fundraising Challenge is confirmed.
