This brochure applies mainly to Brunei Citizen/PR. If you are not a Brunei Citizen/PR, you have to meet certain residency requirements before you can apply for a policy or renew it.

This brochure is for general information only. It is not a contract of insurance. The precise terms and conditions of this insurance plan are specified in the policy contract.

Buying a life insurance policy is a long-term commitment. An early termination of the policy usually involves high costs and the surrender value, if any, may be less than the total premium paid.

It is usually detrimental to replace an existing accident and health plan with a new one. A penalty may be imposed for early plan termination and the new plan may cost more or have less benefits at the same cost.

The product investment risk of this plan is classified as not applicable.
