GREAT EASTERN LIFE CHILDRENCARE ORGANISED 2ND SERIES VEX ROBOTICS WORKSHOP FOR UNDERPRIVILEGED CHILDREN

Kuala Lumpur – Great Eastern Life Assurance (Malaysia) Berhad (Great Eastern Life) organised the VEX Educational Robotics Workshop for 105 children aged between 7 to 14 years old from registered children homes under the Jabatan Kebajikan Masyarakat (JKM) recently. The workshop was organised as part of ChildrenCare, the company's long-term community project, established since 1995.

The workshop was held at Robotics Learning Malaysia, Bangsar Village II, Kuala Lumpur, where the children learnt about the concepts of designing, building and programming robots using VEX Robotics, an educational robotics curriculum developed by Carnegie Mellon Robotics Academy. The workshop provides a fun educational platform for the children to gain knowledge on robotics and robotics programming.

The children were taught about the concepts of designing, building and programming robots. They were given a task to construct a robot and a friendly competition ensued to determine the game-based engineering challenge. In addition, the children also developed soft skills such as leadership, teamwork, confidence, creative and analytical thinking.

Great Eastern Life ChildrenCare was established 22 years ago and has raised more than RM 2.3 million and donated to more than 180 underprivileged children homes under Jabatan Kebajikan Masyarakat (JKM).

ABOUT CHILDRENCARE

Launched in 1995, Great Eastern Life ChildrenCare, a long-term community project was initiated to instil the spirit of caring and sharing amongst Great Eastern Life's staff and members of the agency force. In line with Great Eastern Life's brand position as a LIFE company, ChildrenCare focuses its efforts on three core pillars namely education, health and wellness, and personal development when reaching out to children in need.

We have worked hand-in-hand with Government Ministries and various Non-Governmental Organisations on children welfare programmes to address and resolve the ongoing struggles these children face every day. Each year, staff and members of the field force also embark on annual public fundraising campaigns and community-wide events to raise funds for Great Eastern Life ChildrenCare.

Over the past 22 years, more than RM2.4 million has been donated to more than 180 children charities across Malaysia to help achieve immediate and lasting change in the lives of these children. Apart from fund-raising and making donations, Great Eastern Life ChildrenCare is also supported by I-Pledge Volunteers from Great Eastern Life's pool of staff who pledged as volunteers, offering their free time to assist in Great Eastern Life ChildrenCare activities that go beyond the ordinary approach of helping underprivileged children. Centering on the three core pillars, these activities are not only designed to be fun, but to also include motivational and inspiring elements.

In 2013, we launched a new initiative under the Education pillar, "Program Aspirasi Gemilang 'A'", the first CSR initiative of its kind by a life insurance company of which students from JKM registered children homes are awarded RM100 for each 'A' they achieved in their public examinations namely UPSR, PT3 and SPM. Other activities include "ChildrenCare Let's Score 'A' Workshop" for UPSR, PT3 and SPM students, "Program Ihya' Ramadhan", "ChildrenCare Deepavali Feast", "ChildrenCare Magical Ice Skating", "ChildrenCare Young Roboticist Camp", "A Visit to Aquaria with ChildrenCare" and many more.
