

Personal Data Protection Notice

1. With the announcement by the Government on the opening of economic sectors from 4th May 2020 onwards, we have actively taken measures to ensure safety of our staff and patrons.
2. Following the announcement, the Malaysian National Security Council has issued Standard Operating Procedures on the requirements to contain the spread of Covid-19.
3. By submitting the details via the form provided herein;
 - a) You hereby consent to provide your name, telephone number and declaration on Covid-19 exposure (collectively referred to as “Personal Data”).
 - b) Personal Data provided by you would be strictly processed for the purposes of contact tracing, contacting healthcare authorities or as advised by the Ministry of Health and not processed for any other unrelated purposes.
 - c) You also consent that the Personal Data to be retained by us for as long as it is deemed necessary and/or as further advised by the Ministry of Health for the containment of Covid-19.
