

POLICY OWNERS' PROTECTION SCHEME (PPF SCHEME) FOR LIFE INSURANCE

The PPF Scheme is an additional safety net that protects the interest of life insurance policyholders in the very unlikely event that an insurer fails. The PPF Scheme provides policyholders with 100% protection of the guaranteed benefits subject to applicable limits and caps under their life insurance policies. Coverage for the policies is automatic and no further action is required by the policyholders.

The PPF Scheme is administered by an independent body, Singapore Deposit Insurance Corporation (SDIC). All life insurers registered by the Monetary Authority of Singapore (MAS), including Great Eastern Life Assurance Co Ltd, are members of PPF Scheme.

The PPF Scheme protects all life insurance policies (including riders) issued by PPF scheme members. This would include policies issued to non-Singapore residents.

Insured policies shall be classified into one of the following 4 categories:

► **Category 1 insured policies, comprising any of the following types of policies or riders:**

- Any individual accident and health policy
- Any rider to an individual policy, with the exception of:
 - + a unit-deducting rider to a investment-linked policy, or
 - + a term accelerated rider (*a rider which accelerates the payment of part or all of the sum assured stated in the policy or provides for a payout of an additional sum of money over and above the sum assured stated in the policy upon occurrence of a claim event*)
- Any group health policy
- Any group personal accident policy
- The part of any insured policy comprising the accumulated values (including accrued interest) of coupon deposits, advance premium payments and unclaimed moneys

► **Category 2 insured policies, comprising any of the following types of policies or riders:**

- Any individual policy or rider (other than Category 1 or 3 insured policy)
- Any voluntary group term policy
- Any voluntary group whole life policy
- Any voluntary group endowment policy
- Any unit-deducting rider to a investment-linked policy
- Any term accelerated rider (*a rider which accelerates the payment of part or all of the sum assured stated in the policy or provides for a payout of an additional sum of money over and above the sum assured stated in the policy upon occurrence of a claim event*)

except that any accident and health benefit (other than those benefits that accelerate the payment of part or all of the sum assured stated in the policy) payable under any such policy, will be classified as a Category 1 insured policy

► **Category 3 insured policies, comprising any annuity where the policy owner is an individual and any voluntary group annuity policy**

► **Category 4 insured policies, comprising any non-voluntary group insurance policy (such as non-voluntary group term/ whole life/ endowment/ annuity policy)**

For more information on the types of benefits that are covered under the scheme, please contact us or alternatively, you can visit the LIA website (www.lia.org.sg) or SDIC website (www.sdic.org.sg)
