FLEXI MATERNITY COVER

Great is double the assurance for both mother and baby
GREAT is doubling the assurance for both mother and baby.

Flexi Maternity Cover is a comprehensive, standalone maternity insurance plan for you and your Newborn. It offers coverage for Pregnancy Complications and Congenital Illnesses for the insured Newborn from as early as 13 weeks into your pregnancy.

With Flexi Maternity Cover, you can have the complete peace of mind to focus on all the joyous moments this journey will bring.

Key Benefits

Early protection for Mother and Newborn
With a one-time premium, this maternity insurance plan protects you and your Newborn. Your coverage can start as early as the 13th week of your pregnancy and continues for 30 days after childbirth. Coverage for your Newborn ends three years from the start of the policy.

Comprehensive coverage
Receive protection against eight Pregnancy Complications, and Death or Total & Permanent Disability (TPD) due to the covered Pregnancy Complications. Your Newborn is also covered for 18 Congenital Illnesses and Death due to the covered Congenital Illnesses. You and your Newborn can each receive up to S$200 Hospital Care Benefit per day for up to 30 days.

Guaranteed Insurability Benefit (GIB) for added assurance
Enjoy the option¹ to purchase a regular premium whole life plan, endowment plan or investment-linked plan that provides cover for Death, TPD, Terminal Illness or Critical Illness for yourself and/or for your Newborn within 90 days of your Newborn’s birth without the need for medical underwriting at the point of exercising the option.
The GIB option can be exercised once per Life Assured (Mother and/or Newborn). In the event where the Mother has more than one Newborn, the GIB option can be exercised once for each Insured Child. The eligible plans and maximum sum assured limits per Life Assured per plan purchased under the GIB option will be determined by the Company and are subject to change at the Company’s discretion. For full terms and conditions, refer to the GIB endorsement.
