

# GREAT MATERNITY CARE

Comprehensive coverage from as early as 13 weeks of pregnancy

# #Lifeproof your pregnancy and protect your child with lifelong coverage

The first moment when you knew you were expecting, it never quite prepares you for what is to come. Preparing your little one's birth becomes your priority and it starts from planning their life journey to support a brighter future.

For a one-time premium, **GREAT Maternity Care** provides complete coverage for both mother and child from as early as 13 weeks of pregnancy and until end of third policy year.

Plan ahead to enjoy comprehensive coverage for both mother and child. Your child's lifelong protection can also start without medical assessment<sup>1</sup>, from your child's first cry.

## Why should you consider this plan?

### Comprehensive coverage starts before child's birth

From as early as 13 weeks of your pregnancy, you are covered against 19 pregnancy and childbirth complications<sup>2</sup>, which includes first-in-market childbirth complication coverage for breech delivery and miscarriage or termination of pregnancy due to life threatening conditions.

Your child is also covered against 26 congenital conditions<sup>3</sup> from birth.

### Financial coverage for mother and child's medical needs

Receive up to S\$200 daily hospital cash payout up to 30 days<sup>4</sup>, to defray medical expenses from an unprepared hospitalisation stay due to a covered hospitalisation event.

### Safeguard you and your child's future for life

Gift your child a comprehensive life insurance plan or support them with a wealth accumulation plan for their education or life's milestones. With the Guaranteed Insurability Benefit Option<sup>1</sup>, you have the flexibility to insure yourself and/or your child without the need for medical underwriting. Any pre-existing conditions of your child diagnosed prior to the purchase of the new policy via the Guaranteed Insurability Benefit Option<sup>1</sup> will also be covered<sup>5</sup>.

### Mum Again Benefit<sup>6</sup> For Subsequent Pregnancy

Enjoy hassle-free application with no medical assessment on your subsequent purchase of **GREAT Maternity Care!**

- <sup>1</sup> The Guaranteed Insurability Benefit (GIB) option can only be exercised once for the Mother, and once for the Newborn. GIB option must be exercised within 90 days from the birth of the child. The list of eligible plans, riders and the allowable maximum sum assured are subject to change as determined by the company. The precise terms and conditions of the insurance plan are specified in the policy contract.
- <sup>2</sup> The benefit for Pregnancy and Childbirth Complications is only payable once.
- <sup>3</sup> If the Mother is carrying twins, the Congenital Illnesses Benefit is payable once for each child respectively.
- <sup>4</sup> Hospital Care Benefit for the Mother is payable up to a maximum of 30 days. The insured mother is still eligible to claim for Death or Total and Permanent Disability (TPD), Pregnancy & Childbirth Complications and Psychological Consultations Benefit even though the Hospital Care Benefit of maximum 30 days has been utilised. If the Mother is carrying twins, the Hospital Care Benefit is payable up to a maximum of 30 days for each child respectively. The child is still eligible to claim for Death, Congenital Illnesses, Juvenile Benefit and Major Organ Benefit even though the Hospital Care Benefit of maximum 30 days has been utilised.
- <sup>5</sup> If the insured child is diagnosed with a covered condition as a result of a pre-existing condition before he/she attains age 6 next birthday, we will pay out the claim subject to an overall limit of S\$30,000. Coverage due to pre-existing conditions is only payable once.
- <sup>6</sup> Mum Again Benefit is available for subsequent pregnancies only.
