

# FLEXILIFE

**Comprehensive protection for your family, for life**

Your family is the most important thing to you. That's why it's vital to be prepared for anything life throws your way. **FlexiLife** gives your family financial protection should you get terminally ill, totally and permanently disabled or pass away, helping your loved ones maintain their living standards both now and in the future.

## #Lifeproof your family's future with FlexiLife

### Lifetime protection

Receive lump sum cash if you get terminally ill, totally and permanently disabled or pass away within the policy term

### Bespoke premium payments

Pay a one-time premium, or pay in instalments over 20 years or until you are 80 years old

### Extra coverage from supplemental benefits

A range of supplementary benefits for protection against critical illness, accidents or loss of income resulting from disability or hospitalisation

\*The figure comprises guaranteed and non-guaranteed benefits. The non-guaranteed benefit is illustrated based on the assumption that the illustrated investment rate of return of the participating fund is at 4.75% p.a.. At 3.25% p.a. illustrated investment rate of return, the death benefit is S\$466,704. As the bonus rates used for the benefits illustrated are not guaranteed, the actual benefits payable will vary according to the future experience of the participating fund.

†The figure comprises guaranteed and non-guaranteed benefits. The non-guaranteed benefit is illustrated based on the assumption that the illustrated investment rate of return of the participating fund is at 4.75% p.a.. At 3.25% p.a. illustrated investment rate of return, the payout is S\$148,417. As the bonus rates used for the benefits illustrated are not guaranteed, the actual benefits payable will vary according to the future experience of the participating fund.

‡Please refer to the policy contract for the complete list of critical illnesses covered and their definitions.

## Notes and Disclaimers

All ages specified refer to age next birthday. Figures are rounded down to the nearest dollar. This advertisement has not been reviewed by the Monetary Authority of Singapore. The above is for general information only. It is not a contract of insurance. The precise terms and conditions of this insurance plan are specified in the policy contract. As buying a life insurance policy is a long-term commitment, an early termination of the policy usually involves high costs and the surrender value, if any, that is payable to you may be zero or less than the total premiums paid. Protected up to specified limits by SDIC. In case of discrepancy between the English and the Chinese versions, the English version shall prevail. Information correct as at 31 July 2020.
