

GREAT FAMILY CARE

A single Critical Illness term plan that protects three generations

We are the “Protection for Every Generation” company.

One of your driving aims is to be financially secure and build the best possible life for yourself and those you love, including your parents. You work hard, save smart, and cherish every moment. And you know that a good life is not just about comfort, but also confidence in facing the unexpected. Medical and living costs are increasing in Singapore, so your savings alone may not be enough to cover unfortunate events such as illnesses, without affecting your other dreams and ambitions.

GREAT Family Care, a first-ever multi-generational Critical Illness regular premium term plan, gives you lasting peace of mind, with comprehensive protection for you and your family. In addition to covering you against Critical Illness, Death, Total and Permanent Disability¹, and Terminal Illness, the plan protects your parents against Major Cancer, Alzheimer’s Disease / Severe Dementia or Parkinson’s Disease without any medical assessment, by adding the Parent Protect rider².

Sign up for **GREAT Family Care** today, a single multi-generational Critical Illness plan that lifeproofs your parents with no questions asked!

How GREAT Family Care helps you and those you love?

Yourself

Enjoy comprehensive coverage against 53 critical illnesses, Death, Total and Permanent Disability¹ and Terminal Illness up to age 85 at an affordable premium, giving yourself the security and comfort that you will be able to take care of yourself and be financially independent in the future.

Your parents

Give your parents the gift of added protection in their golden years. With an optional rider, **Parent Protect**², GREAT Family Care supports your parents against Major Cancer, Alzheimer’s Disease / Severe Dementia or Parkinson’s Disease. A lump sum payout will be given upon the first claim and thereafter the rider ceases. Coverage is guaranteed with no medical assessment required.

Your Children

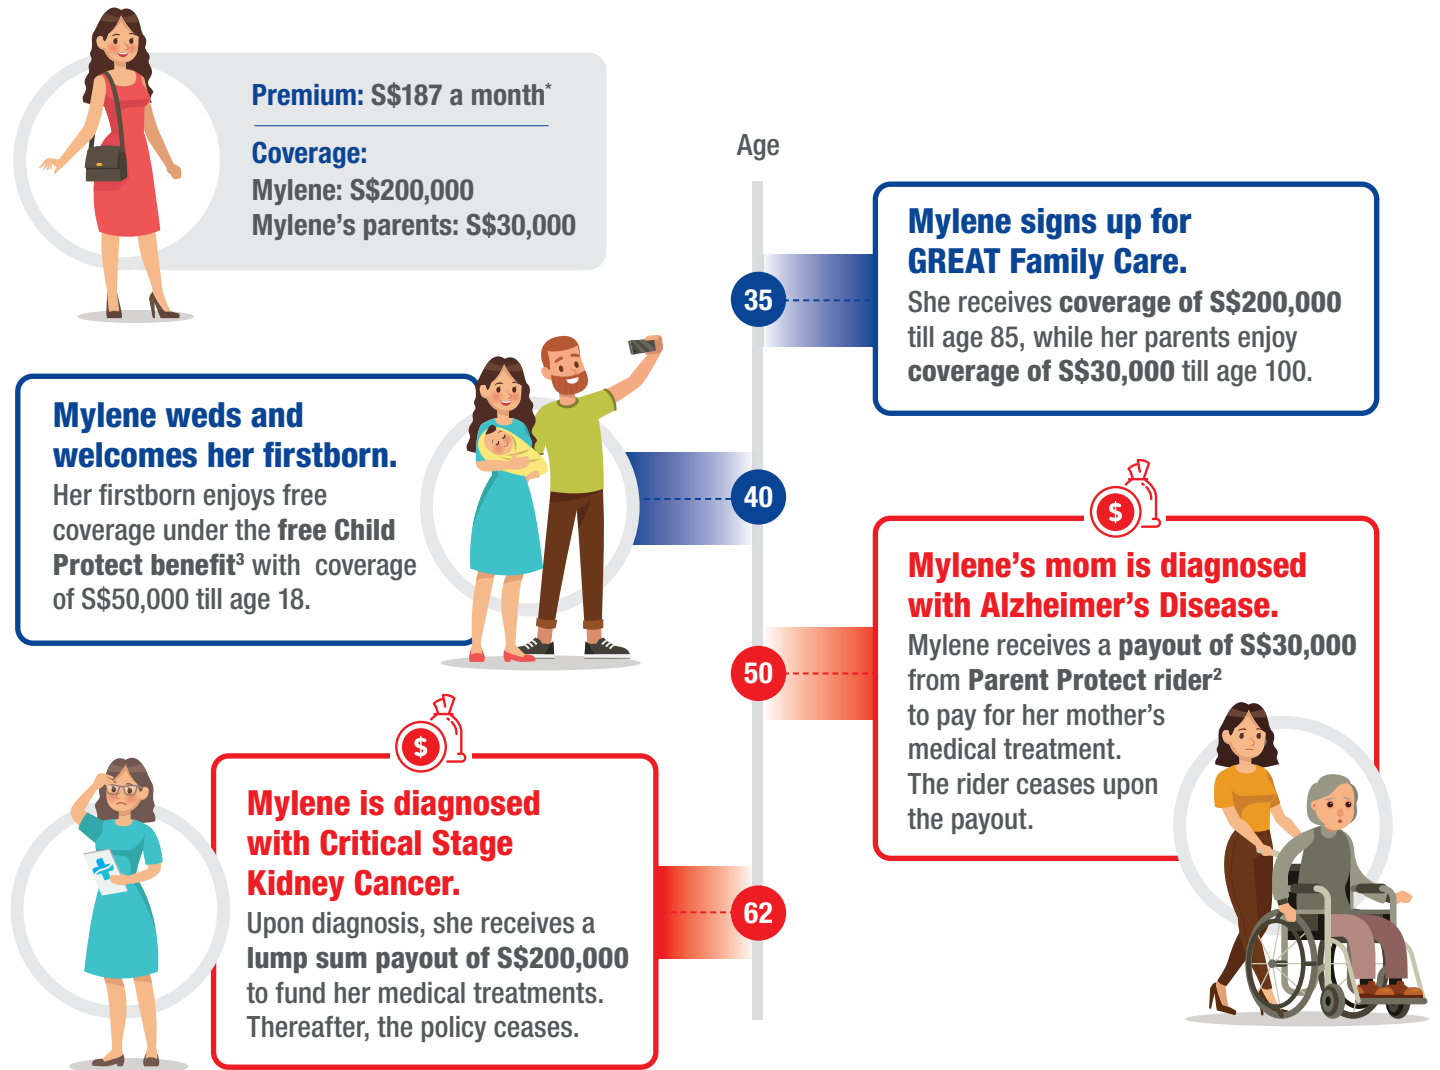

All of your children, including those born in the future, or children you legally adopt, are automatically insured for free under the **Child Protect benefit**³. Your children will enjoy protection against 53 critical illnesses and 25 juvenile conditions up to age 18, with no policy application or medical assessment required.

If any one of your children is diagnosed with any of the covered conditions, you will receive a lump sum payout of 25% of your policy’s sum assured (up to S\$50,000 per child). This payout is additional and does not reduce your own coverage.

How GREAT Family Care works

Mylene

Aged 35, non-smoker, a lawyer, buys **GREAT Family Care** to protect herself against Critical Illness, Death, Total and Permanent Disability¹ and Terminal Illness. In addition, she adds a **Parent Protect rider**² to ensure her parents are protected when the unexpected happens.

¹ Coverage for Presumptive Total and Permanent Disability (TPD) is for the whole of the policy term, while coverage for other forms of TPD is till age 65. Presumptive TPD refers to a state of incapacity which is total and permanent and takes the form of:

- a) total and irrecoverable loss of sight in both eyes; or
- b) total and irrecoverable loss of use of two limbs at or above the wrist or ankle; or
- c) total and irrecoverable loss of sight in one eye, and total and irrecoverable loss of use of one limb at or above the wrist or ankle.

Please refer to the product summary for details on other forms of TPD.

² The parent must be 80 years old next birthday or less at the time of rider issue date. The rider offers a one-time payout of 15% of the sum assured or S\$15,000, whichever is higher.

³ The child must be 16 years old next birthday or less at the time of policy issue date. The plan offers a one-time payout of 25% of sum assured, up to S\$50,000 per child.

* Premium rates for GREAT Family Care and Parent Protect rider are not guaranteed and may be adjusted based on future experience.

The above is for general information only. It is not a contract of insurance. The precise terms and conditions of this insurance plan are specified in the policy contract.

As this product has no savings or investment feature, there is no cash value if the policy ends or if the policy is terminated prematurely. It is usually detrimental to replace an existing accident and health plan with a new one. A penalty may be imposed for early plan termination and the new plan may cost more, or have less benefits at the same cost.

You may wish to seek advice from a financial adviser before making a commitment to purchase this product. If you choose not to seek advice from a financial adviser, you should consider whether this product is suitable for you.
