Multiple claims for fractures, dislocations and burns up to full sum insured

When you're young and able-bodied, you often don't think much about a fall. However, the risk of falls increases as you age, which usually results in adverse outcomes including injuries and fractures, and may even prove fatal. Falls are also associated with higher healthcare cost.

With GREAT Golden Protector, you can be covered for fractures, dislocations or burns that you suffer from an accident, up to the sum of S\$25,000.
