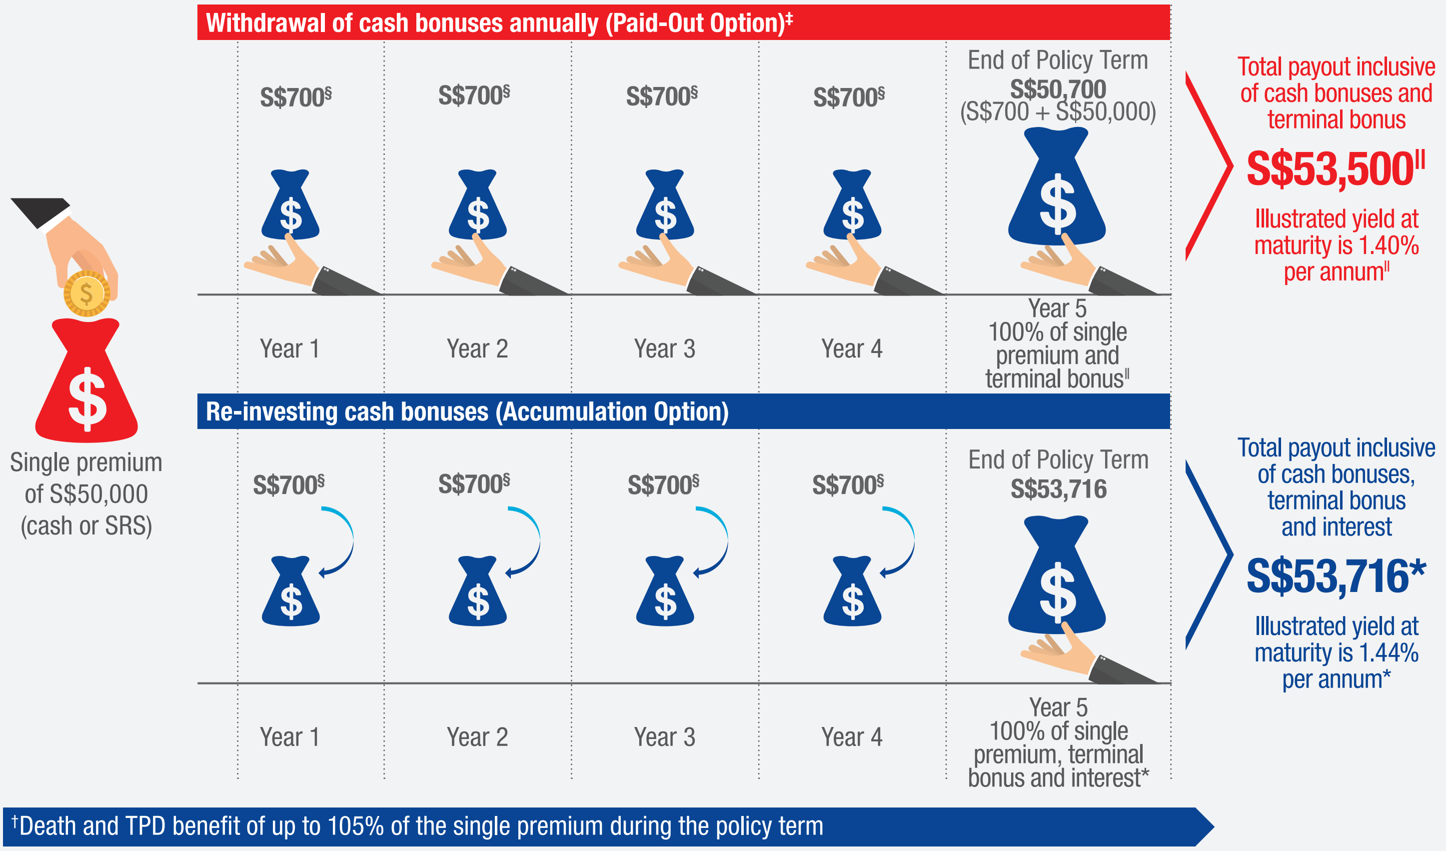
How Single Premium Special 7 works

With a single premium of S$50,000 in Single Premium Special 7, you can either choose to withdraw your cash bonuses annually or re-invest them for potentially higher returns. Refer to illustration for details.



Figures illustrated are rounded down to the nearest dollar.

All illustrated benefits are based on illustrated investment rate of return (IIRR) of the participating fund at 2.07% p.a.. The figures consist of guaranteed and non-guaranteed benefits. The accumulation interest rate on cash bonuses is illustrated at the current accumulation interest rate of 3.00% p.a., subject to change without prior notice.

* Under the Accumulation Option, based on a single premium of S$50,000 and IIRR of 0.57% p.a., the total payout at the end of the policy term inclusive of cash bonuses, terminal bonus and interest is S$50,438, and the illustrated yield at maturity is 0.17% p.a. The accumulation interest on cash bonuses is illustrated at 1.50% p.a..

† If the life assured dies or suffers from TPD:

i. In policy year 1 or 2, we will pay 101% of the single premium or the guaranteed surrender value of the policy plus terminal bonus (if any), whichever is higher, less any policy loan or debt.

ii. In policy year 3, 4 or 5, we will pay 105% of the single premium or the guaranteed surrender value of the policy plus terminal bonus (if any), whichever is higher, less any policy loan or debt.

iii. For life assured with entry age of 66 (next birthday) and above, if death or TPD occurs in any policy year, we will pay 101% of the single premium or the guaranteed surrender value of the policy plus terminal bonus (if any), whichever is higher, less any policy loan or debt.

Coverage for Presumptive TPD is for the whole of the policy term, while coverage for other forms of TPD is up till the policy anniversary on which the life assured is age 65 next birthday.

Presumptive TPD refers to a state of incapacity which is total and permanent and takes the form of:

a. total and irrecoverable loss of sight in both eyes;

b. total and irrecoverable loss of use of two limbs at or above the wrist or ankle; or

c. total and irrecoverable loss of sight in one eye, and total and irrecoverable loss of use of one limb at or above the wrist or ankle.

Please refer to the product summary for details on other forms of TPD.

‡ Applicable for cash payment only. Not applicable for payment by SRS.

§ At IIRR of 0.57% p.a., the yearly cash bonus from year 1 to year 4 is S$85.

‖ Under the Paid-Out Option, based on a single premium of S$50,000 and IIRR of 0.57% p.a., the total payout at the end of the policy term inclusive of cash bonuses and terminal bonus paid out is S$50,425 and the illustrated yield at maturity is 0.17% p.a..

As the bonus rates used for the benefits illustrated are not guaranteed, the actual benefits payable may vary according to the future experience of the participating fund.
