

KEY CHANGES TO GREAT SUPREMEHEALTH AND GREAT TOTALCARE FOR EXISTING CUSTOMERS

Effective for policy renewal from 1 April 2021

GREAT SupremeHealth

- 1. New benefits:**
 - i. Advanced cancer treatments such as Proton Beam Therapy and Cell, Tissue and Gene Therapy.
 - ii. Outpatient Autologous Bone Marrow Transplant (for Multiple Myeloma)
 - iii. Long-term Parenteral nutrition as outpatient treatment (i.e. intravenous feeding)
- 2. Increased per day limit of up to \$1,200 for inpatient sub-acute care**
- 3. Added 12 more conditions under Pregnancy and childbirth complications** (Total 25 conditions)
- 4. New - Coverage for complications arising from vaccinations** which are approved by the Health Sciences Authority (HSA)

GREAT TotalCare

Note: These apply to existing GREAT TotalHealth customers that will transition into GREAT TotalCare

- 1. Co-payment is introduced to all customers**
 - i. Coverage remains comprehensive – Enjoy up to 95% coverage of your total hospitalisation bill
 - ii. Co-payment is capped at \$3,000 for hospitalisation at Restructured Hospital and Private Panel with Pre-authorisation

Learn more about Co-payment here:
greateasternlife.com/gshtceab

- 2. Claims-Adjusted Pricing (CAP) for GREAT TotalCare (Elite-P) and (Classic-P) only**
 - i. Premiums payable is determined by your claims experience
 - ii. Get rewarded for staying healthy – 20% discount off your standard premium rates when there are no claims
 - iii. Premiums remain unchanged if you seek treatment at a Restructured Hospital

Learn about CAP and how it works here:
greateasternlife.com/gshtccap

- 3. New - Other Outpatient Cancer Treatment** to cover additional medication, follow-up consultations and scans relating to cancer.

Premium Revision:

Increase in premiums to reflect rising healthcare costs so as to provide adequate, affordable and accessible healthcare to all policyholders for the long-term.

For more information, visit www.greateasternlife.com or contact your Great Eastern Financial Representative today.

More details will be provided in your policy renewal notice which you will receive at least 30 days prior to your policy renewal.
